From the D.P. Mysore at
no D-5 4194 / 12-3 4 5 1942, request
in connection to the grant of a small monthly
allowance of Rs 3/- PM to the Sanitary
Inspector of Kanchanajoggar Municipality
for doing vaccination work

Subd with a copy of the order
It seems desirable that the D.P.
Inspector in connection to the proposal
of the Sanitary Inspector in question could
do the work with success in the
Mysore papers, there were some complaints
against his results of vaccination,
It is reported that the Sanitary
Inspector has undergone vaccination
training and is doing vaccination work
in the town by house to house visit that
the work turned out is more than what
the local Sub Assistant Surgeon might expect to
do that if the vaccination work is entrusted
to the local Sub Assistant Surgeon, the D.P.
will have to pay more It is also stated that
this arrangement is more advantageous
from every point of view

The draft for may be approved

Re Grant of a small monthly allowance to the Sanitary Inspector at Krishnarajnagar for vaccination work

In forwarding herewith, the correspondence ending with report No H C 140 of 40 dated the 4th March 1942, from the President, Minor Municipal Council, Krishnarajnagar on the subject, I have the honor to state as follows -

Government Order No L 5803-5820/M1 5-29-65 dated the 20th January 1931, and G O No 8989-9011/P H 11 31-32 dated the 14th May 1932 lays down that such of the Municipalities as are unable to employ their own Vaccinators may get the vaccination work done by Malnad Improvement or the District Board Vaccinators by paying the District Board for the services rendered by its employees at two annas per case of vaccination performed by the Vaccinator. The local Sub Assistant Surgeon also may perform vaccination twice a week by house to house visits on a suitable remuneration from Municipal Funds which may be fixed at Rs 5/- per mensem in the case of Minor Municipalities. The Krishnarajnagar Municipality is not in a position to maintain its own Vaccinator. It is reported that the present Sanitary Inspector who has undergone vaccination training is doing vaccination in the town by house to house visits and that the work turned out by him is comparatively more than what the local Sub Assistant Surgeon may be expected to do. Further, if the vaccination work is entrusted to the local Sub Assistant Surgeon, the Municipality will have to pay more. The President of the Municipality, therefore,

- 2 -

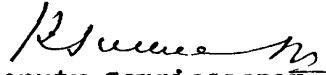

is of opinion, that the present arrangement is more advantageous from every point of view and accordingly recommends the grant of an allowance of Rs 3/- per mensem to the Municipal Sanitary Inspector as resolved by the Municipal Council

I therefore, request you to kindly obtain the sanction of Government to the payment of an allowance of Rs 3/- per mensem to the Sanitary Inspector from 1941-42 and communicate the same to this Office at an early date

Necessary provision has been made to meet this item of expenditure under 'E3 (h) Vaccination' in the current year's budget of the Municipality

The resolution of the Municipal Council and the connected papers are herein enclosed for reference

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District
